Chauffeur Policies Procedures & FAQ

Dettol and Cleaning of Vehicles for Coronavirus Protection

Â Updated 28 July 2020 23:02 by @Reception Staff at Iconic Productions Sydney - FaithÂ

1. All cleaning equipment is now located at the new large Warehouse/Studios at
    - Iconic Productions Warehouse & Studios
      Unit 13 / 94 Bryant Street
      Padstow NSW 2211
      Australia
    - Access to the warehouse still requires permissions, unless you are authorised with Key Asset Authority.Â Speak to your Supervisor for approval.

All vehicles are now being cleaned by Dettol products when they return back to the base where the vehicles are registered to be parked.Â This is in addition to all the required cleaning that each chauffeur is required to do after each CCRP leaves the vehicle at the final drop off point.

When you do your vehicle checks please make sure the sticker is always displayed on the left rear passenger door.Â Please do not remove the stickers.

Also all vehicles now have a self-guide of where is the best place to clean and spray for safety.Â

I have left them in all the vehicles at the steering wheel.Â When you see it next read it and put it in the glove box while you have the vehicle.Â When your roster ends and you return the vehicle, place it back behind the steering wheel, same place as I did for the next chauffeur to use the vehicle.Â It only needs to be placed back for the next driver, not at the end of your shift if you are keeping the vehicle.

Thank you chauffeurs and place remember to always clean the vehicle and be safe.

Questions Asked and Answered:

1. David Phillip | 02-Jul-2020 09:57 |
   Question: will driver and vehicles be given the Dettol wipes and sanitizers?Â
   a. answered by @greg.paff 03-Jul-2020 08:25
      a. all of cleaning items are in Earlwood. You only need to arrange a time with the office to collect 1 for you.Â It is per driver, not car and stays in your blue NRMA bag when swap cars.
