Question: allowing for current Covid '19 restrictions at time of writing August 4, 2020 is VIP allowed to sit in front seat of vehicle if the wish?

a. answered by @greg.paff 04-Aug-2020 16:38

a. All CCRPs including VIPs have to follow social distancing laws. You should encourage them to always sit in the rear of the car.

A question then from my own reference and retraining. I know all iconic policy and for chauffeurs is that males are addressed always as "sir" in a case like this where the ccrp has formally advised that he would rather be referred to by his Christian name would I respect this in all future dealings with this ccrp? Knowing of course it would be preceded with "Mr".

1. This is correct, we always refer to them as Sir/Madam and if the CCRP requests otherwise we then acknowledge that request and maintain that request at all times with the CCRP until the CCRP advises otherwise. We always remain professional. No matter how long you know the CCRP especially if they are regular customers, they are not ever your friend or family member. They are an Iconic Customer and must be treated professionally in all business related dealings when you are working under the Iconic Brand for work related purposes. Never cross the line of professional to friend as an Iconic Worker with any Iconic Customer, associate, contact or CCRP.
