Shows / Events / Performances

What photography or film packages are available for customers?

Iconic Productions has a range of suitable packages to keep the event alive long a!er the curtains are lowered at the end.
The benefits of adding a Photo/Film Production Package to your event are:

1. Increase your profit margin on the event.
2. Happy customers who get to keep alive the memory of their children, family and friends being involved.
3. Memories and after markeng material that can be enhanced to further promote your organisation and the quality of events you offer to your family, friends, audience and patrons.

Whether the customer keeps the Photo/Film Production Package for their own personal and/or marketng archives or decide to sell it as an a!ternative to the show product to their paying audience our Photo/Film Production Packages are a valuable, affordable and excellent addition to any of our events.
All packages include pre/post + editng.

Iconic Productions has a variety of Photo/Film Production Packages, to suit all budgets and quality control expectations and requirements, starting from as low as $642.

If customers would like to discuss the options available for your event, transfer call to Event Management Team for the correct country.Â For Australia on **02 8097-2410 or** contact the **event management team @eventmanagers** on SLACK

Iconic Productions Film/Photo Packages tilt the memories of the audience and family towards good experiences that they have had.Â Memories are important because due to the phenomenon known as â€œnegativity biasâ€ itâ€™s easier to recall bad times than good ones.Â Having snapshots or a movie film capture of your event for your families and for your audience will keep those happy experiences vivid in their minds for every.
