Add New Order / Book Event

What does the Browse Categories button do in Add New Order?

The **Browse Categories** button opensÂ a white box titled "Select Product"

ThisÂ Browse Category button is used to browse a product by category, if you are not 100% certain of which product to select.Â If you know the exact name of the product, it is recommended to search for the product in the Search field and click on the product to open up the product Option window.
