# Region Zone

## Region does not show a zone for customer contact? -or- Radius not displaying on customer detail page? -or- How do I get region zone for customer?

If the Region / Zone or Radius is not displaying on the customer detail page.

1. **Check**
    1. if a Country is select for the customer.Â  If not select the country.
    2. if a State is selected for the customer.Â  If not select the state.
    3. if a suburb / town / city is selected for the customer.Â  If not select the suburb / town / city.
    4. if a street name is added.Â  If you have one, enter it, if you do not know the street address enter TBA

2. **Click on the button Labelled "Get Region / Zone"**
