Â

IMPORTANT THINGS TO BE AWARE OF for the Submission of EVENT MANAGEMENT JOB/TIME SHEETS.

1. Event Job Sheets are to be uploaded now at the end of your shift.Â **We will no longer accept or receive event sheets that are late or submitted 10 minutes after your shift ends based on the call sheet roster.**
2. Where the Event Job Sheet is not received at the end of your shift, it will not be processed or paid and delays of it will occur due to the huge time and cost in having to correct it.
3. All staff/contractors are responsible to ensure that it is provided at the end of their shift.Â Not the next day.
4. Event Job Sheets that have not been correctly completed or submitted at the end of the shift and are rejected due to errors will require the worker to complete a Late/Error Submission Form.Â The worker receiving the rejected submission must request from their department supervisor the link to complete the Late/Error Submission.Â Late/Error submissions must be completed within 48 hours of receiving the error.Â Failure to submit an approved Late/Error Submission within the 48 hour timelimit may be seen as a fraudulent claim for hours worked
