

## **05 Training All Persons = Using SLACK Shift Work Codes when starting and finishing your work shifts.**

Depending on what your job or role is, you may be required to use the **SLACK Shift Codes** to indicate to your supervisor and to your department that you have started work, when you go on a break and when you have finished your day's work or shift.Â

The SLACK Shift Work codes are mostly used for staff or contractors in the following departments with **ICONIC**.

It is important to start your work and enter your shift work codes at the same time of your planned and allocated scheduled rosters, call sheets or work shifts.Â Changes to your scheduled rosters, call sheets or work shifts require a minimum of 5 days notice to your supervisor and need to be approved.Â For urgent changes a minimum of 24 hours notice is required and approval obtained by your supervisor.
