

Roster Iconic Server

Events Menu - what is this in the Roster Server

The Events menu item displays a list of events that you are permitted to see. Based on your user permissions, you may not be able to view all the Events. Mostly Events you are rostered on, will show here for you.

	My dashboard						
Overview	Events						
My rosters	Today	Tomorrow	Custom		☐ Only show events on now		
My timesheets	Event Name ↓	Event number	Address	Start ↓	Finish ↓	Value ↓	Starts in
Shift trades							
Events							
Unavailability							

The details of the Event are self-explanatory.
